SUBJECT: REVIEW AND STATUS UPDATE ON THE PLAY-SPACE INITIATIVE

The Village Board created an ad hoc Play-space Committee at its October 13, 2009 regular meeting, Chaired by then Board Member and current resident of Newlands Street, Bob Jones. The Committee was charged to determine if and where and what type of play-space might be accommodated in one of the Village's parks.

The Committee held its last meeting on April 22, 2010, and has not met since Mr. Jones stepped down as Chair following his unsuccessful bid for reelection to the Board of Managers. No action has been taken to date on this matter.
